Packing suggestions:

- If you won't wear it more than three times, don't bring it! (Exception is something for galas!)
- Pack light and wash frequently, buy it if you need it.
- Limit yourself to one carry-on size bag" 9" x 21" x 13"
- A week before your trip, pack your bag with everything you want to take and carry it around. If it's too heavy, repack. You will have to carry your own bag, and may have to walk some distance with it.
